# Showing our COLORS

School spirit is alive at Sharon High! When we are "Showing our Colors" it can mean spirit in many different ways. However you choose to get involved; be it sports, the arts, clubs and activities, or spectating at these different venues, your participation adds to the shool's spirit and sense of community.

Big changes have taken place at SHS. A new adminstration, along with several new teachers, brings a fresh approach to things around school. This year we have gotten an additional entrance to the senior parking lot. That change alone was huge! It helped tremendously with the congestion at the beginning and end of the school day. Students are even on time for first period now! A daily homeroom period at 7:30 and a T.V. in every room, helps to keep everyone informed. Last but not least, school spirit wouldn't be the same without our friends. You can't leave out the value of friendships made while here for part or all of your four years. Getting involved together with friends, makes school a better place, and "showing our colors" much more enjoyable and so much easier to do.

"Do you ever think that maybe it would be easier if we didn't have such an amazing group of high school friends...then there wouldn't be anyone to miss, everyone you meet would be just a pleasant surpise and not just a comparison."
- Dawson's Creek

## From Our '06 President:

"I never knew how fast twelve years could really go by. It's crazy to think that the majority of our lives thus far have been spent with the same people day in and day out. Over the years we have made memories that will stay with us for the rest of our lives. After senior year at SHS is over, we will take these memories and all go our separate ways in order to make new ones. Nobody knows what the future will hold, but the memories we've all made together will stay with us wherever our paths may lead us. Make sure to hold on tight to these precious memories and never forget these past twelve years that we have all spent together.

Good Luck '06!"

# GETTING INVOLVED
# IN A VARIETY OF WAYS

"Apart from access to the secret senior compartment underneath the auditorium, senior year is not much different from junior year. We're just another year older, and we can drive, which is really cool."

-Max Mathias

"Sharon High senior year '06 is like a box of chocolates...it tastes awesome!

Andrew Reynolds

"This year is almost surreal because we're finally seniors and going to college!"

Julia Altshul

"Yeah, we're seniors. We're all grown up now, but who says we can't still act like we're first graders?"

Emily Tran

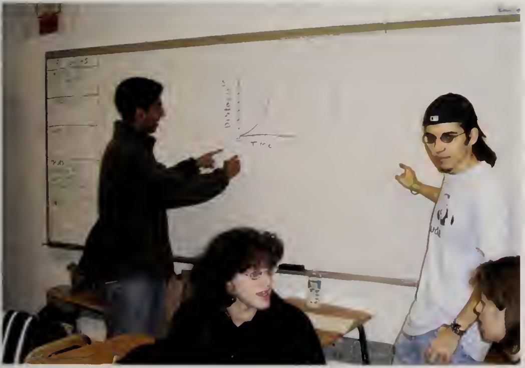
"I actually like our grade now!

'Yeah Hot Dogs!'"

Julie Burdan

"Don't forget- 'A' students teach 'B' students to work for 'C' students!"

-Jared Ballin



"Although senior year may seem to be just as challenging academically than junior year, if not harder, it really isn't. Senior year is fun. You have the best teachers, you take the best classes, and most importantly, you have a good time."

-Akshay Sanan

-Meara Sharma

# SENIORS '06

The Sharon High School senior class of 2006 came together to showcase our colors. From cheering on the maroon and gold varsity players to celebrating at homecoming, dancing the night away at proms, and dressing up for Halloween in hopes of winning the golden pumpkin, the senior eagles showed a wide spectrum of color and spirit. During senior spirit week, our colors really showed through. The seniors came together to dress up in green, purple, and gold beads for Mardi Gras day and maroon, gold, and white for the culminating spirit day.Individually, we all shine our own colors of the spectum, but as we come together to celebrate our last year at SHS we have become a united rainbow.

# UNDERCLASSMEN

Underclassmen go through both the best and the worst of the Sharon High School experience. Freshman year can be intimidating. A new school, new teachers, and more work! Sophomores and Juniors are put under more pressure as classes get tougher. Soon the all important S.A.T.'s approach, then there are tedious hours of Drivers Ed, along with piles of homework. Through it all, the underclassmen never forget to have some fun. Between the formal dances and the new found freedom of driving for some, life at Sharon High isn't that bad!

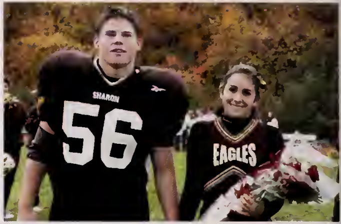
# STUDENT LIFE

The Sharon High School class of 2006 came together to showcase our colors. From cheering on the maroon and gold varsity players to celebrating at homecoming, dancing the night away at proms, and dressing up for Halloween in hopes of winning the golden pumpkin, everyone showed a wide spectrum of color and spirit. During spirit week, seniors colors really showed through. We came together to dress up in green, purple, and gold beads for Mardi Gras day and maroon, gold, and white for the culminating spirit day. We ended the week with a great pep rally where everyone enjoyed themselves. Individually, we all shine our own colors of the spectum, but as we come together to celebrate the 2005-06 year we have become a united rainbow.

# raw & damp weather



Another fun filled Homecoming weekend was had by all at SHS this year. We kicked off the festivities Friday night with an excellent performance by the motown group "Souled Out" brought to the school by Mr. Sondheim. The Carnival started bright and early Saturday morning. Unfortunately, because of weather conditions, it was moved into the auditorium lobby. But that didn't stop everyone from coming out to support all the class boards as well as the numerous clubs and activities. The favorite booths were held by student council and Jared Ballin's "Make Me Laugh" booth. Like last year, the Field Hockey and Volleyball Teams played in the morning before the big Football game. Although our new coach John Cacace and his team tried their best, they weren't able to capture a win over the Knights this year. During halftime, everyone was surprised by the junior win for class float with their live boxing ring. Seniors came in a close second. During halftime, the usual Homecoming King and Queen ceremony was held and Meara Sharma and Mike Duffy were crowned Queen and King. The sports captains also held the second annual Birds of a Feather where they gave recognition to their mentors. That night, the Homecoming dance was well attended and a great time was had by all. Homecoming turned out to be another great weekend filled with fanfare, food, football, and fun!

## underclassmen...

really got into all the festivites in the caf. They participated in everything from the donut eating contest to finding a gumball in the whipped cream, to the best Halloween decorations by grade to the various categories for best costumes. It was a fun time.

Although Halloween differered from years past, the students and faculty at SHS made it a spookily exciting day. The school showed great spirit and enthusiasm when nearly everyone came dressed up in creative, unusual, and humorous costumes. The class planning boards, determined to continue the decorating competition between classes despite obstacles, arrived at school at the break of dawn to decorate their respective corners of the cafeteria. The decorations were elaborate and frightening- we had our own haunted house! Throughout the day, the Halloween filmmakers shot footage of the colorful and crazy costumes, the great decorations, and the various festivities to prepare for the awards ceremony at the end of the day. From the lumberjacks to the senior fashion police, Halloween was a smashing success!

# rockin' rally

The Thanksgiving pep rally rocked this year! Mr. Olsen recruited the drum line from his previous school, Framingham High, and they were awesome!!! They supercharged the spirit and mood in the gym. Everyone was stoked. The different fall sports were represented by their team captains, who made up poems about team members as well as season highlights. The drama department also added to the "poetry readings" by showcasing their fall musical *Brigadoon.* We were then entertained by both the JV and Varsity cheerleaders, the Hip Hop Troopers, and then with a surprise visit and cheer from the senior football players' moms. The moms suffered a little stage fright, forgot some of the words, but the guys appreciated their effort. By the pep rally's end, school was running out and the bell was about to ring, yet nobody wanted to leave. We were all awaiting an encore preformance from the FHS drum line. The bell rang, we stayed, and they didn't disappoint. They gave another great performance, were totally awesome, and helped make this the best, most spirited pep rally ever.

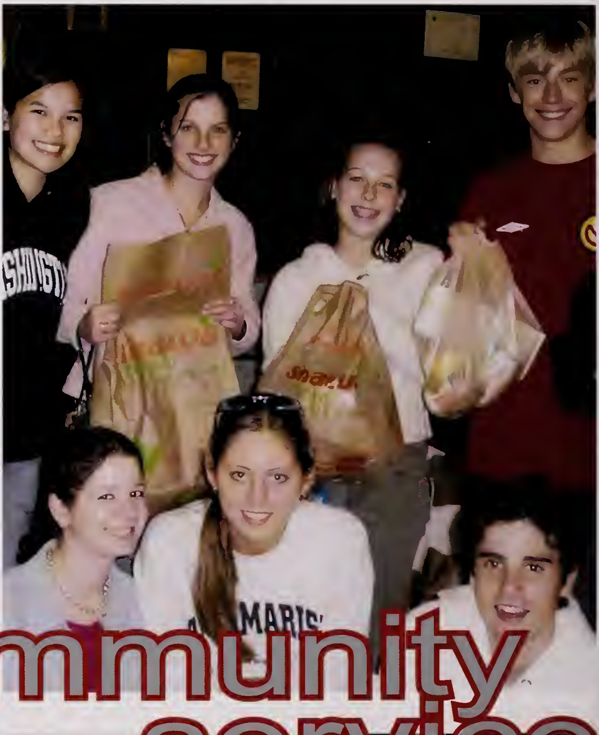
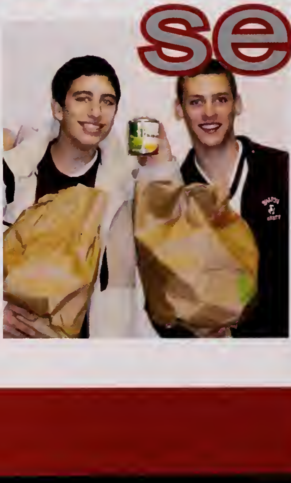
# student outreach

Even though all of the pictures shown here depict scenes of students collecting for Halloween for the Hungry, that is not the only Community Service project SHS offers to get involved, but it is one we all feel really good about. There are many ways you can participate in existing Community Service projects, or develop your own individual opportunity. Doing community service isn't a requirement but it is something many students find rewarding. In Community/Service Learning we have the Heroes project, MLK activities, La Casa Nueva in Brockton, which the Spanish Club has taken on, and the "Cheering up" program, where drama classes perform for the elderly of Sharon during lunches. Getting involved is a nice way to do some good as well as meet and work with a variety of different people.



## community service

All of these students helped trick or treating/collecting for Halloween for the Hungry. This activity brings together students from every grade.



Metco students travel long distances from Boston and surrounding towns to get to SHS. That makes for long days due to the bus ride to and from school. Many of the students also participate in after school activites, which increases the length of their day even more. One after school activity is the Hip Hop Troopers, whose dance routines totally entertained us at the October pep rally.

***-Zach Sands***

"Despite the fact that we didn't win as much as we wanted to, we had a great season, and a fun time together on and off the field.

Erin Long

"With the support of a great and hardworking team, we surpassed many negative expectations. We came together and became a tight-knit group.

Jon Rittenberg

"The season was great, and so were our captains. We'll miss them.

# SPORTS

Organized sports are a time for Sharon High School students to show their colors proudly. No matter what the sport, friendships were made that will last a lifetime. Through the good and sometimes difficult moments, the players of each team came together and prevailed. Mr. Olsen egged us on and reminded us every morning of sports games and events to attend, and this years' attendance soared! With the support of their fans and the new principal, Sharon High School athletics have been a success.

# Boys' Tennis

The Boys' Tennis Team had their most successful season to date. The boys not only captured their 25th straight Hockomock Championship, they also brought home Sharon's first ever Division One State Championship! With the leadership of our two rentless captains, James Micheroni and Max Spiegel, and our dedicated coach Ron Holt, the Eagles triumphed to a perfect 24-0 record.

**John Kerr**
"I like playing tennis it's a great game. There are such talented kids on our team."

**Steven Wiseman**
"The team had high expectations going into this year. With hard work, the team was able to achieve its goal by winning the Division One State Championship."

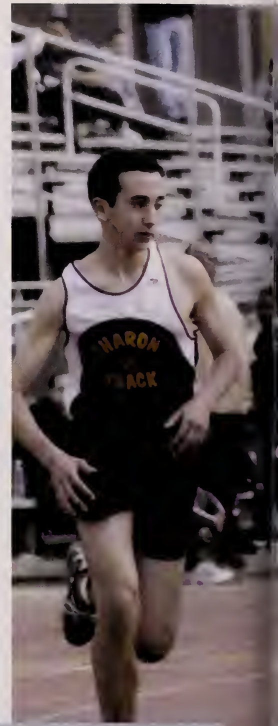
# Boys' and Girls' Track and Field



## The team with the largest coaching staff...

There's one thing that everyone on the Spring Track Team can agree on: the excellent coaching staff we had this year. Coaches Rich, Elgar, Crosby, White, and Coach "V" all helped to create a fun but intense environment for all who participated.

Whether they ran long, middle, or short distance, high or low jumped, or threw, everyone was challenged and improved greatly throughout the season. The team is looking forward to improving their record next season with many outstanding returning runners as well as upcoming future stars.

**Dana Ricciardi**

"Spring Track was amazing. We had great new coaches who did an awesome job their 1st year and pushed us as far as we could go. All in all, the season was very successful."

**Anna Iokheles**

"Although we didn't have as many wins on the sprinting side, everyone was able to improve their best personal times with hard work and the coach's support."

## Dashed Hopes

Our Sharon High School Varsity Baseball Team had high expectations for the 2005 season, but we didn't quite finish with the record we wanted to achieve. The great leadership that we had, helped the Eagles push through the season with many close games. *"If ifs and buts were candy and nuts, then everyday would be Christmas."* These wise words, from veteran coach Joel Peckham, helped to keep spirits high throughout the season. Next year there are a number of returning players as well as some promising, young, new players, which should help the Eagles to advance to the playoffs.

# Girls' Softball

The Girls' Softball Team started off their season with a few quick wins. With the help of our new coach, Deb Parker, we were able to defeat many of the top teams in the Hock. Sharon was becoming a team to be reckoned with. The team was able to hold on to one of the best records Sharon Softball has seen in a long time, while still having a lot of fun. # Boys' Lacrosse

The Sharon Lacrosse Team had its inaugural season this past spring and has shown great promise for years to come.

The men's squad was led by Senior Captains Alex Antokal, Mark Christman, and anchored by defensive mastermind Jason Greenberg. With their guidance and leadership as well as the help of Coach Larry Myatt, the coaches and captains were able to turn a rookie team around into a competitive program. Close games against Oliver Ames, Foxboro, and North Attelboro, helped drive the boys to capture their first win of the year, in overtime verse Abington, in the last game of season. Antokal, Christman, and Greenberg will be handing the reigns of the team down to Brad Myatt and Manny Neuman, and goalie Sam Merlin. This sport is gaining moment throughout Sharon and we look forward to an equally great season next year.

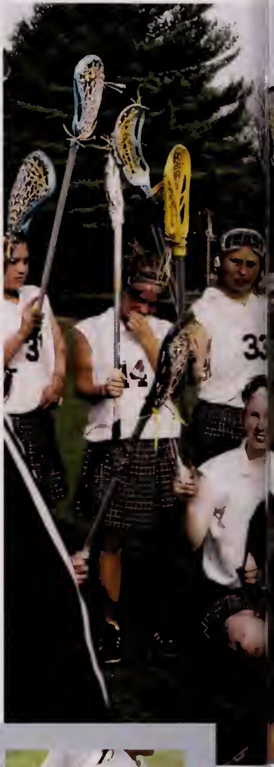
# Girls' Lacrosse



## Rocky start...strong finish!

In the beginning of the season we got off to a rough start, we were defeated by most teams. However the second time around Sharon Girls' Lacrosse showed the rest of the Hock what they were really about. In addition to pulling ourselves together as a team, we were very proud of receiving the Sportsmanship Award for the Hockomock League. We were gaining momentum and showing good sportsmanship. Volunteer coach Jonny Walker was one of the highlights of the season, bringing a lot of new plays to the team and setting up a working defense. The girls plan to come back strong in 2006 with a goal to SHOCK THE HOCK!

**Meghan Masterson**

"When you get a compliment from a team like K.P. saying how impressed they are with our game, when we were playing them-it leaves room for hope."

# Sailing

## From recreational club to competitive sport

In my four years at SHS, I have seen the Sailing Team blossom. The Sailing Team began four years ago as a club with only six members. It is now a varsity team with twenty members. We Fleet Race (individuals sailing against other individuals from many different teams) in statewide and leaguewide regattas on the Charles River in Boston. We also Team Race (only one team versus another) in the Massachusetts Bay League Division. Last year we placed 2nd in our division; this year we hope to beat the undefeated Brookline to place first.
Last year we raised enough money to buy an entire fleet of 420's (the standard high school sailing boat) , so we would like to thank our donors for their help and support.

# Cheerleading

The Sharon Eagles Cheerleading Squad started the season off with a bang! While attending camp, we won the top "Spirit" award as well as two "Camp Champs" and four "all star" awards! That was an amazing and positive start to the season and really served to bring the squad together and pump us up. Our performances infront of other teams showed them what SHS cheerleading is all about: determination and enthusiasm. Our rigorous daily practices prepared us for football and basketball games, as well as competitions. We have proven ourselves to be one of the most committed, successful and definately the most sprited sport at Sharon High!

# Golf

Quickly starting off the golf season with a four and one record, the Sharon High School Golf Team was looking at a Hockomock League title. With captains Dan Kayce and Mike Ryback leading the way, the team had a promising future. The low score of the year was an even par 36 at Sharon Country Club by Dan Kayce against Oliver Ames. Immediatley after the four wins, the golf team found itself losing multiple matches by very few strokes. With four matches left, the Sharon High Golf Team knew they had to win these last four matches, including Mansfield, the number two team in the Hock, in order to make it to States as a team. Fortunately, Sharon High defeated all the teams and proceeded to States.

**Dan Kayce**

"Sharon Golf is like Sharon Tennis, it is one of the only boy's sports with a winning record."

# Boys' Soccer

## THE BEST RECORD IN 7 YEARS!!!

The boys finished the regular season with an 8-6-3 record. The best record Varsity Soccer had seen in seven years. Although losing to Medway in the first round of the tournament, the team accomplished their preseason goal of reaching the playoffs. There were great efforts by all throughout the season. Goalkeepers Cope and Merlin kept the Eagles alive with their spectacular saves. On defense, Rippberger, Mazzotta, Stein, Summerhayes, and Wesson held off the opponents' forwards. In the midfield there was a strong rotation between several players, including, Kane, Abboud, Heyman, Laby, Bossin, and Goverman. The versatile play of Solis, Rodrigues, Doherty, and senior co-captain Seiberling as both midfielders and forwards resulted in many goals and assists. The very productive fowards were led by senior co-captain Bloom, as well as Jeh and Ligon. The boys had a great season. Congradulations! And don't forget to "untuck it."

# Girls' Soccer

## A record that didn't reflect our effort

Sharon Girls' Soccer had a very successful season. Although our record didn't show it, we were a very competitve team in the challenging Hockomock league. We finished with a 4-12-2 record, the best record in 8 years. Girls' soccer is improving every year, and we have high expectations for their future. It will be sad leaving because we were a very close knit group of girls.

# Volleyball

The 2005 Volleyball Team was extremely talented. Each player had something to contribute. Led by captains Beth Heller, Elise Herrig, and Christina Rolli, the girls started the season strong. The momentum was building with wins over Norwood, Dedham, and Foxboro. With such a young team this year, the girls were happy to qualify for the state tournament with a 9-9 record, establishing a 5 year tradition. Despite the teams' loss in the first round, they showed great strategy in hitting and serving, as well as bumping and blocking. Throughout the season our team proved there was never a dull moment on or off the court. The younger players really looked up to each of the seniors they'll all be missed. Good luck next year!

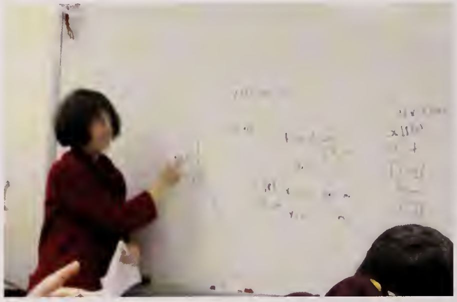
# FACULTY & STAFF

Here at Sharon High we are lucky to have teachers that care about our education. They provide us with a unique educational environment and encourage academic achievement, cooperation, and social responsibilty to help others. Day after day they spend their time working with students so they are able to achieve their fullest potential. Teachers help students explore and apporach new situations with confidence, and gain knowledge and the skills necessary to handle challenges that lie ahead. Their motivation pushes the students to work their hardest in preparation for the future. The accomplishments of the students are a reflection of the teachers and staff's commitment and dedication, for which we are greatful. We are fortunate to have such a great faculty and staff here at Sharon High and we thank them for all that they have done because we know that they truly care.

# appreciation
# Mrs. Eleanor Goodman
# and dedication

Mrs. Goodman can always be found explaining, demonstrating and helping students. Her goal is for everyone to understand math. She is loved by everyone, faculty and students alike.

Mrs. Goodman is known for her interesting, energy-filled math classes. Her quadratic formula surely keeps kids entertained, turning logs into "logs-of-fun", and singing her famous MIT song never fails to help students through long derivative tests. Mrs. Goodman carefully and thoughtfully answers questions; she won't stop explaining and teaching until her students fully understand. Her lighthearted nature is apparent; right before a vacation, she treats students to her famous brownies. Mrs. Goodman takes time each day after school to help her students, and she uses her approchable nature to always make sure that no one is left behind. It is clear that she throughly enjoys her work and puts her heart and soul into teaching. Because of her enthusiasm, skill, and kindness, she motivates her students to work hard and succeed.



It was tricky trying to take pictures without Mrs. Goodman suspecting anything. We fed her a line about needing pictures from each of the different departments for yearbook. Jessica Rossman said she felt like a stalker snapping all these pictures. In the end, we hope it will be a surprise
